IoSCM Level 6 Logistics and Transport Operations Strategy

COURSE REQUIREMENTS

About this Course

IoSCM offer the Level 6 Logistics and Transport Operations Strategy qualification designed to develop the skills of Transport Managers and those in a senior operations role. The knowledge required to succeed in a senior or strategic management role within the logistics and transport sector is delivered and explored through the distance learning course.

The IoSCM logistics qualification will allow students to choose from a flexible range of units dealing with key industry issues, and to develop the strategic management skills required at this level.

*Through completion of the IoSCM level 6 - Logistics and Transport Operations Strategy you will receive certification from IoSCM and also a regulated qualification, Level 6 in Supply Chain and Operations, via our partnership with SFEDI Awards as the Ofqual regulated Awarding Organisation.

Course Breakdown

- A** Award Requirements
To gain the award you must complete 1 core unit
- C** Certificate Requirements
To gain the certificate you must complete 1 core unit and any other 2 units
- D** Diploma Requirements
To gain the diploma you must complete 1 core unit and any other 3 units
- ED** Extended Diploma Requirements
To gain the extended diploma you must complete 1 core unit and any other 5 units

Equivalent

The IoSCM Level 6 is the equivalent to a Bachelor's Degree. But you can achieve a Level 6 Logistics qualification in less time, and much more tailored to you.

Transport and Logistics Academy Support

SUPPORT

Unlimited Access to Industry Expert Tutors

IoSCM's Tutor Team are an amalgamation of some of the industry's finest talent. All experts within their field, the team provide preparation for your distance learning experience, assistance with your qualification and support you during each unit. Because we have tutors specialising in every sector of the industry, we have a strong perception of the requirements needed to succeed and progress within every field.

Accessible Online Delivery and Assessment

You'll gain access to a customised learning platform in which you can take mock tests, utilise a huge library of resources and interact with other students across the globe. As well as unlimited first class materials, there are self-assessments available online show the results immediately to give you direction on what you're doing well and what you might need to take another look at. You can take and retake the practise self-tests as many times as you like. By doing this, we're increasing your confidence in your ability to succeed and therefore, also ensuring you pass first time.

Flexibility and Study Methods

Because IoSCM qualifications can be studied entirely online, you can study in your own time and in the comfort of your own home. You can revisit materials and resources as often as required, simply log in to your personal learning platform. We do however, offer free monthly face to face or online workshops for you to attend if necessary. We understand that every individual is different, so we encourage you to learn at your own pace and in a way that suits you.

Pass First Time

Our support package is so important, not only because there isn't currently anyone who offers such a high level, but because we're dedicated to changing the industry statistics, IoSCM's current pass rate across our qualifications is 98%. With the unbeatable support we provide, you can spend less time and less money by increasing your chance of gaining your qualification first time. Our entire approach to learning is to guarantee your success.

INDUSTRY EXPERT TUTOR

LOGISTICS AND TRANSPORT TUTOR PROFILE

Over 20 Years in Logistics and Transport Management

- Level 7 Qualified
- CPC Qualified

"I love using my past job roles and the skills gained from them to design and develop IoSCM's course materials. Implementing real-life experience into our qualifications ensures we're of the highest standard and hugely valuable to the industry."

Transport and Logistics Academy Guarantee

GUARANTEE

IoSCM are honoured to hold a reputation as an influential institution representing the supply chain. Renowned for the quality, expertise and talent behind our qualifications, we're determined to continue our success. Which is why we strive to preserve our impressive **98% pass rate** with an unrivalled support package for every professional.

IoSCM are confident in the standard of our qualifications, the delivery of our curriculum and the support from tutors and mentors combined with your hard work; we know it will lead you to success, first time around. So much so, that we can guarantee that if you are unsuccessful in the passing of your course, we will offer you a second opportunity to achieve your qualification free of charge

There are some conditions to the IoSCM qualification guarantee:

- You must have submitted all assignments on time
- You must have monthly contact with your assigned student mentor to ensure we have given you our full support throughout your course
- You have two years from beginning your distance learning course in order to be eligible for this guarantee. If you have studied for longer than two years, you do not qualify for a free retake
- You must book your free course within 6 weeks of your first unsuccessful attempt
- Institution fees including membership renewal and any possible examination fees are not covered by this guarantee
- Course materials will not be re-issued
- IoSCM's interpretation of these conditions shall be binding
- We reserve the right to change or withdraw this offer at any given time

We strive to preserve
our impressive
