CHOICES

Welcome to the CHOICES initiative from the Institute of Supply Chain Management (IoSCM). A programme designed to answer your questions, provide you with information and support your choices when considering a Supply Chain career.

?

What is the Supply Chain?

The Supply Chain is a network of connected organisations which work together to deliver buy, produce, store, transport, distribute and sell products to the end user. The end user could be you, or a service you need such as the NHS.

”

?

What kind of companies have roles in the Supply Chain?

Most organisations you can think of will have a part to play in the Supply Chain. From large multi-nationals like Amazon, Cadbury, MAC, Xbox, Look Fantastic, Dominos, and the Military to smaller local companies.

”

?

How can I learn more?

Sign up for CHOICES, it's FREE and will provide you with access to lots of resources, information and networking opportunities via our on-line forum along with regular emails and magazines about the Supply Chain Industry.

”

Next time you buy a pair of trainers think about the exciting journey they've been on to become yours! The NIKE supply chain relies on different companies, departments, and individuals to get their trainers ready for their customers to buy. Read on to discover a few of the departments and jobs that you could choose.

1 Order online or buy from a shop
